

ONLINE ENGLISH COACHING

What to do? You have to write in English, but you feel there is still a lot to learn. High school is over, and other means are not at hand. If you are tired of Google Translate you can take our online English coaching course. In six rounds you will write in English, get feedback, develop a clear view on the challenges you have. Online guidance via Skype and email whenever it suits you.

With dedicated exercises you will practice to improve your writing in English and step by step you will become more confident. Together with music, English is world language number one. Best give yourself a change to let your English sing. For everybody eager to write more fluently in English.

WHAT YOU WILL LEARN

In this online course you will learn to make a next step in your ability to write fluent and clear English. Depending on your level and challenges a series of six to eight coaching moments will guide you to reach a higher level of writing over a period of half a year.

All in all you will learn to:

1. become aware of the specific challenges you face with respect to writing in English
2. overcome these challenges in the context of your own writing
3. overcome these challenges by means of dedicated exercises that focus on a limited set of challenges each round
4. write with more pleasure and ease

PRACTICALITIES

Online English Coaching consists of five to six rounds that take place every month. Homework in between sessions adds up to eight hours in total. Coaching can start at any given moment in time, provided that a teacher is available.

WHO FOR?

Online English Coaching is designed for everybody aiming to lift their ability to write in English. The course is open for all everybody since your level is the starting point anyway. The course is guided by native speaking English teachers.

ABOUT ARTESC

Artesc builds a bridge between the performing arts and communication in science, teaching, business and law. At present, our theatre and prose skills courses are used to improve professional communication in seven countries.

We are proud to have helped thousands of scientists, teachers, business and law professionals to reach a substantially higher level of presenting, teaching and writing.
